# SCORPION GULCH GAZETTE

## NEWSLETTER OF THE ZEN SHOOTISTS

Serving SASS Cowboy Action Shooters since 1998

Thirty Zen Shootists arrived to Scorpion Gulch on a perfect late summer day to battle outlaws and aliens. I had a lot of fun writing the stages for this month and I hope ya'all liked them.

We had one new shooter Tirene whom is kin to Jonny Sharpknife. I sure hope no one ever starts a feudin with the Sharpknife's. Thar is sure alotta gunhands in that family.

We had a visitor shoot with us Silver Buck Chuck. He splits his time between Wisconsin and Florida. He happened to be in the area and joined in on the fun.

The clean shooter for this month was Cherokee Bandit, that's two in a row for him!! Mosey West was top overall shooter and he had to overcome being abducted by aliens to do it.

I will miss next months shoot. I have asked Alaska Jack to send me a write up of the Gazette. If you have anything for the newsletter let him know.
