Congratulations to Wild Ben Raymond of Sioux City, IA. He was the top shooter AND shot the ONLY clean match.

For the folks that have been keeping score of the Cap Horn and Mosey West Shoot-out for the 2006. After 8 matches, the score is Cap Horn with 7 wins and Mosey West with 1. Hey, at least they had fun.

The following shooters got both bonus targets; Round Rock, Marshall Morris, Mosey West, Doc Horseshoe, Crossed Up, Fiddlefoot Fred, City Boy, Cap Horn, Lakota Jack and Silverado.

Hey yall, it's been a great season with good friends, great food and some fun scenarios. See yall at the Annual Winter meeting and don't forget about our get togethers at the Outback each month so we can hone our story telling skills for next years activities. Well that's about it from your fast shooting, good looking and ever dedicated club secretary. Happy Trails, Coyote Kid
